

Assembly Manual

AIRA Bedside table

EN: User instructions

- before starting assembly, carefully read all instructions in this manual
- use caution when assembling
- check that all parts are included in the package
- assembly should be carried out by two people

Warnings

- raw plugs and screws for wall fixation are **not included**
- it is imperative to ensure that the chosen fastening method is appropriate and secure for your specific home setup

Safety Tips

- do not overtighten screws
- keep small parts out of reach of children
- once assembled, check that all connections are tight and the structure is stable before use

Note on Regular Maintenance

- periodically check and tighten all bolts to ensure ongoing stability and safety

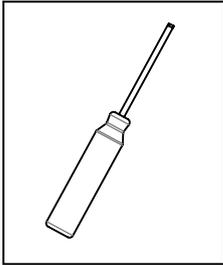

Eco/Packaging Notice

- please recycle all packaging materials according to your local guidelines.
